

# JOIN US FOR A COMMUNITY LISTENING SESSION ON FLOODING

## ATTENTION SENIORS/ELDERS (50+)

**Basements are flooding!  
Roads and driveways are washing out!**

**Have you been impacted by flooding?  
Do you live in or near a Millers River watershed town?**

**WE WANT TO HEAR FROM YOU!**

Big storms and flooding are increasing in both frequency and intensity. The listening session will inform strategies being developed by regional planning agencies to assist and support seniors in dealing with the hazards associated with flooding.

**Refreshments provided - Handicapped accessible**

*Hosted by the Millers River Watershed Council (MRWC) and the Franklin Regional Council of Governments (FRCOG).  
Funding provided by the Executive Office of Energy and Environmental Affairs (EEA) Municipal Vulnerability Preparedness (MVP) Program.*

**Friday, June 27<sup>th</sup> 3-4:30pm**

**Millers River Environmental Center (100 Main Street Athol)**

**Please email [council@millersriver.net](mailto:council@millersriver.net) or 978-248-9491 to register**
